ew.  
This is Inferno.

Inferno (2)> is riskier,my-dange-r-  
dear

>nothing to say but traps

>nothing to live  
but <wires.No-sound-.Heavy,rising

~Draft.

Info---on  
Inferno (3):

Takes hands  
, tapes hands  
into candies.

(I'm done.)

**Inferno.**

Ah, Inferno. My favorite  
piece. -Music: is what I mean.

Have you been? —No, not far inward. And he?

: And he?

He's been. —What was his

, name—, again?

It was howard.

moing—moing—moing—

MOVING ON.

**Inferno [2].**

Ah, Inferno [2]. My favorite  
Inferno [2].

It has a sticky quality. Much like taffy.

It has an industrial . . . flavor. Don't you think.?

Run a test and find out.

—You're the test, last I heard.

**Inferno [3].**

You notice: We're quite  
similar. Infernos:1,2,3,4,5,6,7,8,9.

10&up--:dicey.

Inferno[3] whisked you [away.]

Unearthed you. No.....Un.birthed you.

**And Transit.**

?  
!L?

*My inferno:*

**Is dicier than yours;**  
**Ha;**  
**Ha!;**  
and.yours.;  
is unknowns..nothing.;  
i know.

It's not easy, stupid.

*Your inferno:*

**I've no idea:**  
**You didn't tell me:**  
**You didn't ask:**  
my opinion.

Flush it out.!

*Our inferno:*

**Needs--to---die!**  
**Needs--to----suffocate!**  
**-!Needs**  
***a-barren-planet***

I'm sure it's.not- .true.,  
What.-t'he doctor said:

but you'll become it.  
& i will, too.

rice-water-enervation  
;;; this is inferno  
.
