

Paradise  
light orb-  
it

grassy  
hill.rock  
organs

leaves,water,

, this is paradise

^

Paradise (2):  
burrow-  
ing,smells.hat  
ches.

unburrowing,  
drip,.faces

heart of my city

this is paradise.

Paradise (3) that way!

<(and transition.)

**Paradise.**

Big burrows. Used to be named ,Pardise. How I love marmalade  
of Paradise.

Good times.

It was a god center..left,right,twisted.  
I mean:good.center.,

**Paradise [2].**

Ah, the enigma/iota. Fancy twirling  
you here.  
<"YEs>, please do "

Sit on the curbside of fountain of eternal youth  
(and age).

**Paradise [3].!**

Enough dr  
ipping

Stalactites.  
Cavernous.  
Bedbug. High Haven.

High haven. Hold my eyes

while I hold your hand

**...And Transit!?**

*My paradise--*

**is forever:**  
**is eternal:**  
**and all the rest:**  
!just like tradition.said,

„i hated it  
„once.i got.off  
--cliffs of highways

i told you:::itwouldn'tbeeasy

*Your paradise---*

**Is restful;**  
**Is heartful;**  
**Is greenful;**  
!just like you.said,

„did you hate  
me? once i.got off  
! no.highways,.no.cliffs

?? What did you tell me, my pet??

*Our paradise----*

***Is inert.***  
***Is suppliant.***  
***Is returning;***  
**and .all. the rest!**

just like. we .read,.

*do-you-love-me, we-ask-*  
in my dreams, like millions  
of years before.

left-foot-heart: this is paradise

*(&make----way)*
