Inferno & Paradise:
Together

Respirate, resipate, Respirate. Resipate.
Too late. Too tall. Too large. Too head-hang.

I loved something once? Didn't
I? Didn't I? Didn't I ?

Endless chasm. Seismic roof.

Do—how—did—youdo on the mouse? Was that a . . . question?

Was that a . . . question?

Was that a . . . questionL? Question, Question.

We made it out. We made it out.

Stop reminding me.

**Together;
Together:)**

Paradise & Inferno
sittin' in a blaze,
blazing.

I mean:
B-L-A-Z-I-N-G.

First comes:
HATE;
then comes:
HATRED;
then comes:
Paradise in a hatred carriage!

Right?

**(Right.
Now fly!!)**
